

YANKEE GOLDEN RETRIEVER CLUB TRAINING CLASSES WILL:

- Give advice on correct socialization and training techniques.
- Offer help with puppy/dog behavioral problems.
- Let you know about spaying, neutering, breeding, showing, tricks, etc.
- Describe grooming, health care, safety, tattooing, etc.
- Explain how to communicate effectively with your dog.
- Notify you about the Golden Retriever breed in general, the Golden Retriever Clubs, events, etc.
- Show you how to teach your dog to be a retriever.

ALL THIS AND MORE!

This is a unique opportunity for you and your puppy/dog to meet, train, and interact with other Golden Retrievers and their owners, under supervision of experienced and knowledgeable Yankee Golden Retriever Club members. The class is open to all breeds and mixed breeds, with preference given to Golden Retrievers.

GENERAL INFORMATION

You need a buckle collar—3/8"-5/8" wide—leather or nylon webbing. The leash must be 6' in length—3/8" to 5/8" wide—either leather or nylon/cotton webbing. Please do not use a retractable leash or choke collar.

Dogs must be on leash at all times. They must be exercised in, and remain in, the grass area by the driveway. You must clean up after your dog, both inside and outside. Supplies are provided.

The floor is covered with rubber matting to prevent slipping, but low heeled shoes are a necessity. You may find yourself on or close to the floor a good part of the time. Washable, casual clothing is recommended.

We encourage **all** family members to attend. Your family and puppy/dog will benefit if all receive the same information and training instructions. Children who *want* to come are welcome, and are often the best trainers, but please don't *make* children come.

If your puppy/dog is not feeling up to par on class night, please leave him or her at home, but you should attend to keep up with class material.

If the weather is bad, training classes will not be held. If you are unsure, call 774-249-1956 after 4:00PM on class day for information. A make up class will be scheduled.

This course continues the "manners and citizenship" education begun in puppy kindergarten. Using some agility, rally, and obedience skills and equipment, we work toward readiness for the American Kennel Club Canine Good Citizen title. Not competitive obedience or ring training, this is a unique opportunity to further your knowledge of effective communication and socialization of your Golden Retriever.

Classes are designed for varying age dogs, and will help you to successfully socialize, raise, and train your Golden Retriever.
